2004 Tradeshows

IFPA 2004

Golden Eagle enjoyed another successful tradeshow year, exhibiting at two events in 2004!

We first traveled to Reno, Nevada, for the 17th annual International Fresh-cut Produce Association Conference and Exhibition. The conference was held April 22-24, 2004, and proved to be another successful year for Golden Eagle.

As always, we were very fortunate to catch up with our customers, see old friends, and meet some new friends for the very first time. The IFPA is a

wonderful organization and Golden Eagle Extrusions Inc. has been a proud member and exhibitor for the past 16 years. As always, we are looking forward to next years show, which will be held in Phoenix, Arizona, April 14-16, 2005.

Golden Eagle also attended the 65th annual American Association of Meat Processors Conference and Exhibition, which was held in Grand Rapids, Michigan, July 15-18, 2004. This was only our second year exhibiting at this tradeshow, and it has already proven to be a great success. With our new lines of forming films and our expanded stocking program of Nylon/Poly vacuum pouches (see page 2), we were able to help many wonderful people with their packaging needs. We will be exhibiting at the 2005 annual conference, which will be held in Buffalo, New York, July 28-31, 2005.

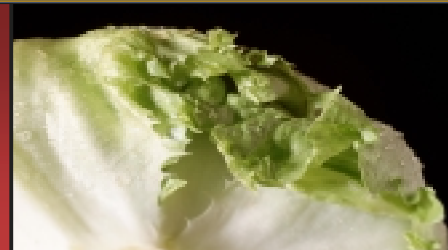

We would like to thank all of our customers who took the time out of their busy schedules to stop by our booths and chat. We would also like to extend a thank you to the new friends we made at both shows - it was a pleasure meeting you all. Make sure and stop by our booths next year at these two exciting tradeshows. They serve as a wonderful forum for discussions, exchanging ideas, meeting new friends, and catching up with old ones. See you next year!

SUMMER FUN

Golden Eagle employees enjoyed another wonderful party at this years company picnic held in the summer. As you can see by the pictures, we had a great turnout and enjoyed numerous activities and great food (of course we had fresh-cut fruits and vegetables)!

Games, fishing, and prizes were just a small part of the entire function. A large "THANK YOU" is extended to Jenny Duncan, who always does a great job of organizing and planning our company functions. Thanks to Jenny and all the employees who attended this wonderful party!
